

Last week we began our examination of Genesis 2. We studied the blessed seventh day of God's \_\_\_\_\_ highlighted in verses 1-3. Today as we move forward into the text, some additional details of the creation week are revealed. It is important to note that chapter 2 does \_\_\_\_\_ in any way contradict the account of the first chapter, but rather compliments it. As a matter of fact verses 4-6 give us more info about the first 5 days of creation while verses 7-25 reveal more about the events of the sixth day. Overall this Genesis 2:4-7 narrative points to an incredible \_\_\_\_\_ and purpose...

## **GOD'S SPECIAL CREATION**

### 1. Generations of the heavens and of the earth – verse 4

- A definitive statement – “*God created*” ... “*the LORD God made*”

*For by him were all things created, that are in heaven, and that are in earth, visible and invisible, whether they be thrones, or dominions, or principalities, or powers: all things were created by him, and for him: And he is before all things, and by him all things consist. Colossians 1:16-17*

- Generations – Related stages, groups, or families that follow in sequence, one after another. As it concerns creation – from the first, all ongoing *generations* will \_\_\_\_\_ *after their own kind*.
- Why did he make them?

*For thus saith the LORD that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the LORD; and there is none else. Isaiah 45:18*

### 2. Agriculture – verses 5-6

- God made plant life to arise on day three (*Genesis 1:9-13*). Yet there are clearly some things \_\_\_\_\_ yet developed. Therefore, this is obviously a reference to domesticated and \_\_\_\_\_ plant life.
- God watered the earth solely with a \_\_\_\_\_ (*like the early morning dew*)...
- Why did God \_\_\_\_\_ bring some plants and herbs up from the ground?

*And the LORD God took the man, and put him into the garden of Eden to dress it and to keep it. Genesis 2:15*

3. God's special creation – verse 7

- God made man in his own image – Genesis 1:26-27

*What is God's image? 1 John 5:7 (John 1:1, 14); Genesis 1:1-3; Is. 6:3; Rev. 4:8*

*God is a triune being - Father, Son, Holy Spirit*

- Man is a \_\_\_\_\_ being – 1 Thess. 5:23; Heb. 4:12

1) *Body – like God the \_\_\_\_\_ has a body*

2) *Spirit – like God's \_\_\_\_\_*

3) *Soul – like God the \_\_\_\_\_*

- According to evolutionists:

*All scientists agree that evolution is a fact...not true*

*The universe came from nothing naturally...not true*

*The universe was always here...not true*

*Man has evolved morally to a higher level than animals...not true*

*The strongest and most fit survive...not true*

- According to Genesis 2:7...

1) *And the LORD God \_\_\_\_\_ man of the dust of the ground – \_\_\_\_\_*

2) *And \_\_\_\_\_ into his nostrils the breath of life – \_\_\_\_\_*

3) *And man became a \_\_\_\_\_ soul – \_\_\_\_\_*

*\*Men are created in God's image, not the other way around!*

- Our God is truly unique in that he has revealed unto us our \_\_\_\_\_ – Proverbs 22:20-21; Luke 1:3-4; John 20:31; 1 John 5:13; 1 Peter 3:15

*God is able to foretell the future – he is also able to reveal the \_\_\_\_\_...*

*The purpose of the creation account is to cause man to \_\_\_\_\_ the Creator...*

# Evolution: True Science Fiction

## LUCY

Nearly all experts agree Lucy was just a 3 foot tall chimpanzee.

## HEIDELBERG MAN

Built from a jawbone that was conceded by many to be quite human.

## NEBRASKA MAN

Scientifically built up from one tooth, later found to be the tooth of an extinct pig.

## PILTDOWN MAN

The jawbone turned out to belong to a modern ape.

## PEKING MAN

Supposedly 500,000 years old, but all evidence has disappeared.

## NEANDERTHAL MAN

At the Int'l Congress of Zoology (1958) Dr. A.J.E. Cave said his examination showed that this famous skeleton found in France over 50 years ago is that of an old man who suffered from arthritis.

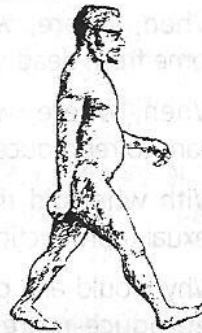

## NEW GUINEA MAN

Dates way back to 1970. This species has been found in the region just north of Australia.

## CRO-MAGNON MAN

One of the earliest and best established fossils is at least equal in physique and brain capacity to modern man... so what's the difference?

## MODERN MAN

This genius thinks we came from a monkey.
