## THREE BASIC APPLICATIONS

- 1. Historical      This book is about the second giving of the law to Israel's \_\_\_\_\_ generation. (After the unbelief and wandering in the wilderness)
  
- 2. Devotional      This book is about our opportunity to enter the Promised Land by loving \_\_\_\_\_ – not by \_\_\_\_\_.  
  
(My life can be an \_\_\_\_\_ day journey rather than a 40 year labor – 1:2; 8:2 – some \_\_\_\_\_ make it to the Promised Land!)
  
- 3. Doctrinal      This book is about the end of the Tribulation Period and the Restoration of the Nation of Israel. (We have specific details of events as they will unfold during “those days”.) (Rom 11:25; Deut 32:31-33)
