## THREE BASIC APPLICATIONS

1. Historical      God records the \_\_\_\_\_ of the heaven, the earth, light, vegetation, animals, mankind, human relationships, \_\_\_\_, death, redemption, judgment, rebellion, prophecy, grace, races, nations, Israel, covenants, promises, science, arts, geography.

2. Devotional      Overall – we begin with \_\_\_\_\_ – with God, all things are possible and without God nothing is possible and we can do nothing. This is woven through the entire book of Genesis.

Specifically – because we see the beginning of all things, we can make application of these things to our life either by \_\_\_\_\_ or \_\_\_\_\_ by example or observation (i.e. good or bad, what do do or not do)

3. Doctrinal      Genesis is a \_\_\_\_\_ book – Jesus' 1<sup>st</sup> coming, Israel's restoration, God's fulfillment of the original plan for Israel, Jesus' 2<sup>nd</sup> coming, the events of Genesis will \_\_\_\_\_ throughout all history, 2<sup>nd</sup> coming = the Sabbath day of creation.
